ConnPACE PLUS *for lower prescription costs*

As our state faces an unprecedented budget crisis, we are finding more ways to cut state spending while providing support to those who need it the most and avoid higher costs to taxpayers. With this goal in mind, we are looking for ways to maximize every federal dollar available to the State of Connecticut.

ConnPACE is a highly successful state program that fills a critical need—prescription drug assistance for low-and middle-income seniors. The federal government is providing funding to states that provide prescription drug benefits to seniors for even lower costs than ConnPACE. That's why last fall, I supported legislation to implement ConnPACE Plus to utilize these federal funds.

The new voluntary ConnPACE Plus program **could save eligible seniors \$1,000 per year or more in Medicare Part B premiums** and lower co-payments. All individuals in ConnPACE who are eligible for Medicare can enroll in ConnPACE Plus.

As a ConnPACE member, your pharmacy co-payment is now \$16.25. By joining ConnPACE Plus, **your pharmacy co-pay could be reduced to as low as \$2.50 for generics and \$6.30 for brand-name drugs** on Medicare Part D's drug list.
